## About CRC (Certified Relationship Coach)

As human beings, our need for contact and interaction often drives us in and out of relationships. Often our needs in relationships are ignored or misunderstood.

CRC - Certified Relationship Coach is a program that offers an effective framework to help people form and secure sustainable life-partnerships and to improve their relationship with themselves and/or their partners.

## What are the benefits of Relationship Coaching?

- Heal old wounds and restore trust
- Become an expert of your emotional needs
- Create a deeper emotional contact
- Learn tools to solve relationship problems
- Commit to and realize emotional meaningful goals
- Learn tools to solve relationship problems
- Feel appreciated as you are now

## How does Certified Relationship Coach (CRC) program work?

CRC provides theories and practical ways to prepare individuals to be a relationship coach.

Relationship Coaching clients can take the form of individuals or a couple. you will be able to help them create a dynamic, respectful, and romantic "conscious relationship" that boost their journey.
